

# Know Your Relationship Rights

You have rights in your relationship. Everyone does, and those rights can help you set boundaries that should be respected by both partners in a healthy relationship.

---

- You have the right to privacy, both online and off
- You have the right to feel safe and respected
- You have the right to decide who you want to date or not date
- You have the right to choose when/if you have sex and who you have sex with
- You have the right to say no at any time (to sex, to drugs or alcohol, to a relationship), even if you've said yes before
- You have the right to hang out with your friends and family and do things you enjoy, without your partner getting jealous or controlling
- You have the right to end a relationship that isn't right or healthy for you
- You have the right to live free from violence and abuse
